

To all customers:

On January 2010 American Tactical Imports Inc received official notification from the Bureau of Alcohol, Tobacco, Firearms and explosives that the original barrel shroud (aka: fake suppressor) supplied with your GSG 5 SD model must be replaced. *It has been determined that this shroud is regulated under the National Firearms Act.* American Tactical will provide a replacement shroud at no charge for each GSG 5 SD model sold or currently in inventory.

Consumers in possession of a GSG 5 SD model with the original shroud in place on the firearm are now in violation of the NFA. To avoid continued violation of the NFA, ATI asks that all persons in possession obtain a replacement shroud as soon as possible. We anticipate arrival of the new shrouds to begin by the middle of February 2010.

IMPORTANT: THE ORIGINAL SD MODEL SHROUD MUST BE RETURNED ACOMPANIED BY THE FIREARM SERIAL NUMBER BEFORE A REPLACEMENT SHROUD IS ISSUED. THE DIAMETER OF THE SD SHROUD IS 1-9/16". DO NOT RETURN THE SMALLER CARBINE SHROUD.

WHAT TO DO:

If possible return your old shroud to the dealer where purchased and show him this notice. The shroud will be returned to ATI along with a list of serial numbers from the guns that the shrouds were removed. ATI will send replacements to the dealer for pick up at your convenience; ATI will be sending replacements as fast as logistics allow. If your dealer is out of business or difficult to reach, or you purchased your gun used, from a consumer, you may return it directly by US mail or UPS to American Tactical Imports Inc. 100 Airpark Drive Rochester, NY 14624.

PLEASE DO NOT CALL US. We will only provide information via our web site www.americantactical.us , and www.ar15.com or by e-mail to atiexchange@americantactical.us

REMEMBER, INCLUDE THE FIREARM SERIAL NUMBER WITH EACH SHROUD OR A REPLACEMENT WILL NOT BE ISSUED.

This action IS NOT being instituted through any fault and is strictly due to NFA compliance. American Tactical will assume the responsibility to satisfy the requirements in an effort to minimize the impact on our customers and protect your investment.

We at American Tactical Imports Inc. sincerely apologize for any inconvenience caused by this unfortunate situation.

Sincerely,
Anthony DiChario

President C.E.O.
